 AREA CHAMBER
 BERKLEY • OAK PARK • HUNTINGTON WOODS

2026 SPONSORSHIP PROGRAM

Invest in Community. Elevate Your Brand.

WHY PARTNER WITH THE BERKLEY AREA CHAMBER?

Berkley sits at the crossroads of Metro Detroit's most vibrant communities. For over 60 years, the Berkley Area Chamber of Commerce has been connecting local businesses, fostering economic growth, and building the relationships that make our region thrive.

OUR CORE COMMUNITIES

BERKLEY • OAK PARK • HUNTINGTON WOODS

Three distinct cities united by shared values: supporting local business, celebrating the arts, and building community connections.

EXPANDED REACH ALONG THE WOODWARD CORRIDOR

ROYAL OAK • FERNDALE • BEVERLY HILLS • BIRMINGHAM • SOUTHFIELD

Our events and marketing reach thousands of residents, business owners, and decision-makers throughout Oakland County's most dynamic corridor.

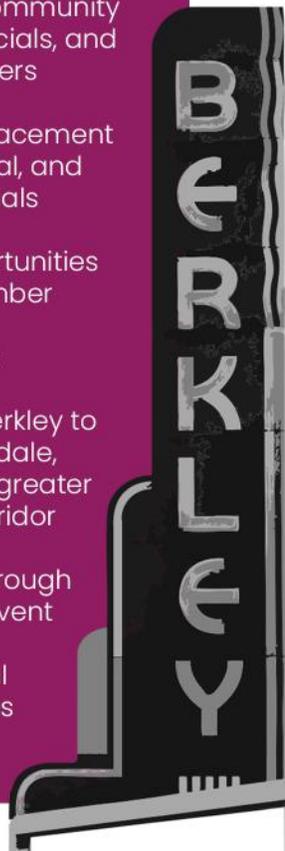

Our events bring together 25,000+ community members annually — neighbors, families, and decision-makers who support local businesses. From the 10,000+ attendees at Art Bash to the packed rooms at our Legislative Breakfasts, your sponsorship puts your brand in front of the people who matter most: your customers, your community, and your future partners.

But we can't do it alone. These events — and the Chamber's year-round advocacy, networking, and marketing programs — are made possible by businesses like yours who believe in investing where they live and work.

.....
WHEN YOU SPONSOR THE CHAMBER, YOU'RE NOT JUST BUYING ADVERTISING — YOU'RE INVESTING IN THE COMMUNITIES THAT SUPPORT YOUR BUSINESS.

WHAT'S IN IT FOR YOU?

- Visibility to 25,000+ event attendees and 250,000+ digital impressions annually
- Direct access to community leaders, elected officials, and decision-makers
- Premium brand placement across print, digital, and on-site materials
- Networking opportunities with 180+ Chamber member businesses
- Reach beyond Berkley to Royal Oak, Ferndale, Beverly Hills & the greater Woodward Corridor
- Tangible ROI through booth space, event tickets & promotional opportunities
